MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the document listed on the attached Form PTO/SB/08 A & B (modified), which the Examiner may deem material to the patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, with the exception of U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed subsequent to June 30, 2003.

The present Information Disclosure Statement is being filed: (1) no later than three months from the application's filing date; or (2) before the mailing date of the first Office Action on the merits (whichever is later); or (3) before the mailing date of the first Office Action after filing a Request for Continued Examination (RCE) under 37 C.F.R. §1.114 and, therefore, no

Statement under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is required. However, inasmuch as a Statement Under 37 C.F.R. § 1.97(e) **can** be filed, Applicants submit the same concurrently herewith.

The present Information Disclosure Statement is being filed within thirty days from the date of issuance (April 7, 2006) of a European Search Report (ESR) in connection with counterpart application EP 04 70 4338 and, therefore, a Statement Under 37 C.F.R. §1.704(d) is also attached, together with an English-language version (if not already included) of at least that portion of the ESR indicating the degree of relevance found by the EPO.

The identification of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees (except the Issue/Publication Fees) to our Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
